

MOTHERS FOR PEACE

JANUARY 19, 1995

RET. GENERAL MacKENZIE
TORONTO, ONTARIO

FAX NO. (416) 744-2153

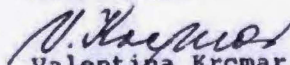

Sir,

Although we received your fax a long time ago, we just did not have time to send you an answer until now. Also, we needed to confirm some facts, so that our response to your fax could be complete.

In your letter of September 10, 1994 you said that Mr. Margolis admits in private that his articles are full of errors. It is not so. We contacted him and his words to this matter are: "I have never admitted that my articles were 'full of errors'. All of the statements that I made remain valid and I stand behind them". (quote from the letter written Nov. 14, 1994).

Enough said.

Sincerely,

Valentina Krcmar
Director
